

SHB30321 Certificate III in Nail Technology

Nationally accredited training with Demi International

Delivery Mode: Online

Pathway: General Training

Duration: 6 months (2 x 10 Week Terms)

Intakes: Monthly

About the Course

This online nail tech course is designed both for the beginner and for those who have basic self-taught nail skills that want to take their skills to a professional level. Learn the skills you will need to carve out a rewarding career as a Nail Technician and Nail Artist.

Online lectures are scheduled for once a week. Attendance is required for all students.

What You'll Learn

You will learn everything from manicures and pedicures including gel and acrylic sets with nail art including how to use an electric file safely and achieve a client's preferred shape without damaging the nail. You'll also learn about nail health, conditions and salon safety and hygiene along with business and marketing for a nail salon.

Assessment Methods

Assessments are completed through a combination of self-paced theory and practical assessments. All assessments are submitted through the online study platform.
